# Private Whisky Collections Insurance

As Scotland's largest independent broker, we are able to provide a specialist insurance policy for your whisky collection whether privately or commercially owned, or forming part of a wider investment portfolio.

2018 was the year when £1million was paid for a bottle of Scotch Whisky. A world record. The continued soaring demand for rare whisky could mean that your collection is increasing in value and would benefit from an insurance policy to protect it in the event of unforeseen loss or damage.

## Key features of our policy include:

- Premiums start at £351 inclusive for an annual policy
- Worldwide cover
- Individual high values accepted
- Automatic cover for new purchases
- No single article limits
- No policy excess
